Debtor(s)

Case No. 03-84455 (MLC)Chapter 7

VERIFICATION OF CREDITOR MATRIX

Allan B. Mendelsohn, as Trustee verifies that the attached matrix (list of creditors) is true and correct to the best of his knowledge.

Allan B. Mendelsohn, the Chapter 7 trustee (the "Trustee") has prepared Schedules of Assets and Liabilities and the Statement of Financial Affairs (collectively, the "Schedules") by relying on certain information made available to, obtained by and compiled by the Trustee and his attorneys. The Schedules have been prepared based upon the limited and, in some instances, incomplete information made available to, obtained by and compiled by the Trustee and his attorneys through discovery and from other sources. The above-captioned debtor has broadly asserted his Fifth Amendment privilege against self incrimination with respect to every aspect of this Chapter 7 bankruptcy case and has not supplied the Trustee with the documents and information necessary to complete the Schedules.

This Chapter 7 case is being jointly administered with the Chapter 7 cases of Victor Jacobs, Case No. 03-84456 (MLC) and Jacob Jacobs, Case No. 03-84457 (MLC). The Trustee has attempted to prepare separate schedules and statements of financial affairs for each of the debtors and has separated assets and liabilities where the Chapter 7 Trustee could reasonably do so.

The Trustee does not make any representation regarding the accuracy or completeness of the information contained in the Schedules. The Trustee reserves the right to update, supplement and amend the Schedules. Nothing contained or described herein should be deemed as an admission or waiver of any of the Trustee's rights, defenses or remedies in connection with this Chapter 7 case or the Chapter 7 cases of Victor Jacobs and Jacob Jacobs.

When the Schedules indicate that a claim is secured only in part or entitled to priority only in part, it has been listed only once. A claim which is secured in whole or in part is listed in Schedule "B" only and a claim which is entitled to priority in whole or in part is listed in Schedule "E" only. The same claim has not been listed twice.

When the Schedules indicate "None" in response to a question that merely indicates that the Trustee is unaware of any response to the question to the best of the Trustee's knowledge, information and belief based upon the information made available to obtained by or compiled by the Trustee.

When the Schedules indicate 0.00 as a subtotal or total, such amount should be read as unknown.
